MAD MIXTURES

A great introduction to chemistry and the science of "mixing." Explore what mixes and what doesn't. Discover densities, and make volcanoes and your own modeling dough to take home. This workshop is for kids ages 3, 4 and 5 years old and is taught by professional instructors from Mad Science of Greater Tampa Bay. Reservations are necessary. Sign up early as spots are limited! Parent/guardian must remain at the Center while workshop is taking place.
