# Car Seat Inspections

## HEALTH & SAFETY

When it comes to your child's safety, don't compromise. Car crashes are the leading cause of death for children. Make sure your child is properly restrained.

**Is your car seat installed correctly?**

Almost 8 out of 10 car seats are used incorrectly. Learn how to install and use your car seat correctly with the assistance of a certified technician. There is no cost for the inspection (valued at \$30).

### Individual Car Seat Inspection Appointments

- By appointment only (45 minutes in length)
- Appointment will take place outside in the caregiver's vehicle
- Participants need to bring their car seat, child (preferred but not required), and both the car seat and vehicle instruction manuals
- Caregivers will re-install their car seat into their vehicle after the instruction of the technician
