Mobile Preventative Dental Services

HEALTH & SAFETY

It is very important to have preventative dental services for children. The Smile Every Mile Mobile Dental Coach is provided by Suncoast Community Health Centers. Children ages 6 months to 18 years old can be treated on the Mobile Dental Coach for preventative services and must be accompanied by parent or guardian. If further treatment is needed a referral will be made at the time of the visit.

Services offered include cleanings, topical fluoride applications, dental sealants, oral hygiene instruction, screening, and a friendly staff. There is no charge (\$80 value), however it is necessary to call and make an appointment. Participants that have a current dental home are not eligible. Walk-ins may be seen if time permits.
