

Playgroup Registration Process

CHILD DEVELOPMENT

To register your child for one of the Developmental Playgroups at this CBFRC location for the current session, **please visit us during our scheduled playgroup registration dates and times** listed on the back of this flyer.

The amount of time needed to complete registration will vary depending of the number of families completing the process and the number of children you want to register.

You can register for multiple playgroups on the same day!

What parents/caregivers will need to bring:

- Your child
- Your picture ID
- Your ANTS™ cards (for those who already have a CBFRC membership card)

Step 1. Parents/Caregivers must complete an ANTS™ form for themselves and their child.

Step 2. Staff will assist parents/caregivers in completing the registration form to choose an age appropriate playgroup for each child.

Step 3. Parents/Caregivers will complete an Ages & Stages Questionnaire (ASQ-3) for each child.

Step 4. Families will meet with a Developmental Specialist.

What comes next: This is a lottery style registration, it is not first-come, first-served. You will receive a call from the Center with the results of your child's registration and steps to follow prior to the first playgroup.

If you have any questions, please contact us at 813-641-5600.
