This summer's program is simply titled - Magic And Mayhem Present: "8" During this program the children will be exploring how they develop their creativity! In the show they link together the idea that there are 8 notes on a music staff, 8 colors in a standard crayon box, and only 8 actual magic effects. BUT when children combine them they offer an infinite number of opportunities for creativity! And, it just so happens that when they turn the number 8 on it's side... This program is for kids ages 3 years old up to 2nd grade. Make your reservations today!
