What is a fairy tale king to do when it's time for his daughter to marry? He places a pea under 100 mattresses, of course, in order to find a prince sensitive enough to deserve such a beautiful princess! But what happens when, night after night, each potential suitor fails to discover the pea? Perhaps the unlikely young man in the boxing gloves deserves a chance to try. Inspired by Hans Christian Andersen's classic fairy tale, this new adaptation is full of comedic hijinks as two actors frantically portray over a dozen roles! Children are sure to roar with laughter while learning the importance of seeing past weaknesses to a person's strengths. The show is appropriate for ages 5 and up. Recommended reading: *The Princess and the Pea* by Hans Christian Andersen and Maja Dusikova.

¿Qué es un rey de cuento de hadas que hacer cuando llegue el momento de casarse con su hija? Pone un guisante debajo de 100 colchones, por supuesto, para encontrar un príncipe lo suficientemente sensible como para merecer una princesa tan hermosa! ¿Pero qué sucede cuando, noche tras noche, cada pretendiente potencial no descubre el guisante? Tal vez el improbable joven en los guantes de boxeo merece la oportunidad de probar. Inspirado en el clásico cuento de hadas de Hans Christian Andersen, esta nueva adaptación está llena de hijinks cómicos como dos actores frenéticamente retratar más de una docena de papeles! Los niños están seguros de rugir con la risa mientras que aprenden la importancia de ver las debilidades pasadas a las fuerzas de una persona. El espectáculo es apropiado para los 5 años y más. Lectura recomendada: *La princesa y el guisante* de Hans Christian Andersen y Maja Dusikova.
